Memory	128MB for unlimited message storage	**Dual Line Support**	Yes
Connectivity	1 – Ethernet, 2 – USB, 2 – RS232	**Direct Interface**	Serial or Ethernet protocol
IO Interface	IO Board Option	**Number of Printheads**	ProSeries 384 up to 4
Auto Codes	Time, Date, Use By, Julian, Count, User Defined Shifts, Variable Input		ProSeries 768 up to 2
Bar Codes	UPC, GTIN, I2of5, 128, Code 39, EAN, UCC, 2D Data Matrix		

Features and Benefits:

Color Touch Screen – 7" color graphical user interface guides users easily through menu functions.

Stainless Steel Enclosure provides maximum reliability in harsh environments.

Environmentally Sealed with no moving parts on the inside eliminating the need to clean filters and provides a protected environment for the internal electronics.

Dual Production Line Support allows the Marksman Duo XT to independently control two production lines from the same user interface.

I/O Board interface card option allows for connection to external system devices for automation and control logics.
